**Mrs. Sherrick**

Thank you for your help, understanding, and patience with our sudden switch to online education in an effort to keep everyone safe and healthy. As we enter our third week, I hope this transition is smoother and easier than on day one. For questions, comments, and concerns, you can always call the school office to leave a message (messages will be checked daily during the work week) or you may email me at [principal@parishofsaintann.org](mailto:principal@parishofsaintann.org)

Thank you also for all the prayers and well wishes for my husband. He returned home on March 21, exactly one month since he was first admitted to the hospital. The numerous prayers, kind words, and offers of help were extremely uplifting to us in our time of need. Thank you from the Sherrick family!
