Good afternoon St. Ann families,

What a change from the first week of school to now, our last week of the 2019-2020 school year. I know many families are anxious for news regarding specific information about the first day of school for the next school year, Kindergarten testing, and a date for First Holy Communion. I attended an informational meeting held in the church last Friday evening, and Fr. Rayanna is hoping to have more detailed information in early June. Bishop Brennan will decide how and when St. Ann Church and School can open. As soon as we have definitive information, we will contact all families via Gradelink.

This year many time-honored and traditional school events were cancelled due to COVID-19, including May Crowning and the 8th Grade Promotion ceremony in the church. We will proceed with a Promotion Ceremony for our ten 8th grade students and their families when Bishop Brennan allows events like this. For right now, we are planning on a July date. Please check the St. Ann Family Facebook page later in the week to see a video tribute to our amazing 8th graders!

Scrip is currently available as a pre-order as well as reload and Scrip now. Pre-orders are due by 8:30 AM on Monday morning, and pickup of pre-orders can be made in the school office on Fridays from 10:00 AM-12:00 PM.

If you did not get a chance to complete the SWOT survey that was sent a few weeks ago, please go to the link below to give your feedback. This information will help our school to assess our areas of need and to find ways to improve our school.

As we bring this school year to a close, I thank you for your trust and support in the education of your children, as well as the unforeseen and amazing effort of partnering with teachers in educating students via an on-line format. Please know we will be doing everything possible to make sure our campus is sanitized and safe, and we will be eager to open our doors as planned on August 10. Again, as we receive updated information from the diocese, we will keep you informed through Gradelink. In the meantime, enjoy rest and peace as we transition into the summer months.
