School Newsletter

Welcome to Week #2 of distance learning! Teachers have been busy planning, teaching, meeting with large and small groups, meeting with parents, and reconfiguring virtual classrooms to create maximum learning in the smoothest way possible. Thank you for communicating questions and concerns regarding distance learning as well as praise. So many St. Ann parents are pulling double and triple duty trying to work your jobs as well as helping out with the online learning taking place in your homes.

As you know, our Back to School Night is this Wednesday, August 19. Because we cannot meet in person, and I don't want to overwhelm you with another Zoom meeting, I plan on sending out a message to families on Wednesday to give an update on the waiver and other pertinent information that would normally be shared with families in the Parish Center before heading off to the classrooms. Your child's teacher(s) will send out specific information for their Zoom meetings for Wednesday night.

Until we can have students return to campus, we truly appreciate your patience as well as your questions and suggestions.

Upcoming Events:

Tue. Aug. 18.....School Advisory Board Meeting 5:15 PM via Zoom

Wed. Aug. 19..... Back to School Night via Zoom

Mon. Sep. 7.....No School; Labor Day Holiday

Have a great week!
