School Newsletter

Thank you for everyone who attended last week's Back-to-School Night on Zoom. It's more important now than ever for our school to work with families during distance learning. St. Ann School submitted our waiver to the Kern County office in Bakersfield to open with on campus learning last Friday. We are hoping to hear positive news in the next 1-2 weeks. As soon as the office receives updated information on the waiver, we will immediately send an email via Gradelink to all families. Thank you for your continued prayers!

STAR testing for all students is right around the corner. Testing will begin as early as Tuesday, September 1 and will run through September 17. Just as the classroom teachers will reassure students, please reassure your child that the STAR test does not count as a grade in Gradelink, and it's important that they try their best and do all their own work so teachers have accurate information to help them guide and individualize instruction in the coming weeks.

The school office is open Tuesday, Wednesday, and Friday from 10:00-12:00. The deadline for Scrip preorders is Monday morning by 8:30AM.

Don't forget! St. Ann School has a Facebook page ([www.facebook.com/StAnnsSchoolRidgecrestCA](http://www.facebook.com/StAnnsSchoolRidgecrestCA)). You may also request to join the Saint Ann Families page, which is a closed group only open to our current school families. If you do a search on Saint Ann Families, you can request to join this group.

Upcoming Events:

**Mon. Sep. 7.....No School; Labor Day Holiday**

***Have a great week!***
