Benefit Raffle -The numbers are in, and we raised **\$31,687.58!** This money raised goes directly to supporting the operating expenses of the school, teachers' salaries, health insurance, and utility bills. Thank you to all of our families and parishioners for supporting this fundraiser every year! Your time, creativity, and generosity are such wonderful gifts to our school, and we appreciate all who helped bring this event to life and all who participated. **Thank you!**

As a reminder, per our school's waiver requirements all people on campus who are dropping off students and picking them up **MUST** wear a mask. Please remind other authorized family and friends who might be dropping off or picking up your child that masks must be worn and will be enforced. An alternate option is to remain in your vehicle and utilize the pickup line in front of the elementary school; school personnel will make sure your child safely gets to your vehicle. Thank you for your support in this matter.
