- **Immunizations needed** for the 2021-2022 school year for **7th graders**. All **sixth graders** going into the **7th grade** must have the TDAP booster shot and a second Varicella (chicken pox). **Students will not be allowed to attend school unless we have proof of these shots**. As of July 1, 2019, California Health Laws require that students entering the 7th grade must now have another dose of **Varicella** and a **Tetanus, Diphtheria, Pertussis (Tdap)** booster, given after age 7, prior to entering the 7th grade. This school immunization law affects all students in public and private schools.
- **Reminder:** Please do not park in front of the planter area near the Parish Center/church office. If you have to back up, you are in the wrong parking spot. Students are walking in from the parking lot, and it is a safety concern. Also, the only drop off/pick up of students is in front of the elementary campus. If you park in the middle school lot, you must pull into a parking spot to drop your child off. Thank you for keeping our students safe!

- Do you need **parent participation hours**? **May 15th is the new deadline** for logging all of your hours for this year. We will have some opportunities coming up. Watch your emails and school newsletters. Please check with your child's teacher(s) about helping with yearbook pages for each grade level. The deadline for teachers to complete their yearbook pages is quickly approaching.
