When applications are received, the school will call to make a required appointment with Mrs. Sherrick. Please use the following website or link that is provided in the **family portal** - <https://online.factsmgt.com/aid>
- **Immunizations needed** for the 2021-2022 school year for **7th graders**. All **sixth graders** going into the **7th grade** must have the TDAP booster shot and a second Varicella (chicken pox). **Students will not be allowed to attend school unless we have proof of these shots.** As of July 1, 2019, California Health Laws require that students entering the 7th grade must now have another dose of **Varicella** and a **Tetanus, Diphtheria, Pertussis (Tdap)** booster, given after age 7, prior to entering the 7th grade. This school immunization law affects all students in public and private schools.
- The deadline for reaching your **scrip obligation** of 400% is this **Wednesday, March 31, 2021**.
- The last day of the Third Quarter is this Friday, April 2nd. Report cards will be going home in the Monday envelope on April 19th.
- Do you need **parent participation hours**? **May 15th** is the new deadline for logging all of your hours for this year. We will have opportunities coming up. Please check with your child's teacher(s) about helping with yearbook pages for each grade level. The deadline for teachers to complete their yearbook pages is quickly approaching.
- **April 17:** Campus clean-up day. Times to be announced as we get closer. No need to sign-up, just come ready to work! If we are short on parent help or too many items to complete on that day, we will schedule a second campus clean-up day for **April 24**.
- **Science Fair:** Congratulations to all our Science Fair participants. This past week, students were invited to participate in the Kern County Science Fair. 6th Grade: Quan Laskey (1st Place-will be invited to the state level), 7th Grade: Patrick Boggs (3rd Place) and 8th Grade: Therian Jones (Honorable Mention). Great job!
