School Newsletter

“Children are a gift from the Lord; they are a reward from him.” Psalm 127:3

- The Diocese of Fresno, in consultation with all the schools, will not offer distance learning for the 2021-2022 school year. This decision was based on the stress and the increased workload placed on teachers. Should our school be mandated the CDC or the state of California, St. Ann will resume distance learning for the entire school in the case of an emergency.
- There have been many questions asked about the 2021-2022 school year with respect to COVID restrictions. As the school receives updated information from the diocese, we will continue to notify all faculty and families. As of right now, students are now allowed to be 3 feet apart inside the classroom while wearing their masks and sitting at their desk with a desk shield instead of the original 6 feet distance. (All students and staff must be 6 feet apart inside the church during Mass.) Due to our excessive heat, the diocese is allowing students to be outside without their masks on if they choose once the temperature reaches 80 degrees or above. Please continue to check your email now and throughout the summer for important information.

We are gearing up for a Krispy Kreme fundraiser. Money raised will go towards STEM.
