STAR REVUE

Please read important information and return the bottom half if you would like to participate. Information was sent in last week's Monday envelope. Please come by the school office if you need a new one. Deadline to sign up is September 1.

- **Cell phones for students:** If your child has your permission to bring a cell phone to school, they must first obtain a cell phone contract from the school. These forms must be filled out each year. Students who have a signed cell phone contract understand that the cell phone remains in the backpack and is turned off for the entire school day. The only time a student would have need to use the phone is if their ride after school is not there. In that case, the student must first obtain permission from a school employee to use the phone.
- The **Extended Day Program (EDP)** will once again be available to provide care for your children. This program is particularly helpful on minimum days if your regular childcare arrangement cannot accommodate the additional hours. Please come by the school office or call and leave a message if you would like EDP information or a contract.
- **Facebook-** Our school has a Facebook page – www.facebook.com/StAnnsSchoolRidgecrestCA. You may also request to join the “Saint Ann Families” page, which is a closed group only open to our school families. If you do a search on “Saint Ann Families” you can request to join this group.
