LET'S CELEBRATE

**NATIONAL HEART MONTH**

**EVERY WEDNESDAY IN FEBRUARY**

Bring \$1 on Wednesday and you can wear a red shirt with jeans. The proceeds will be given to Kids With Heart National Association for Children's Heart Disorders, Inc.

This is First Grade's service project for the year. This is a special service project as Mrs. Cornell's son was diagnosed with a ventricular septal defect (VSD) at one month old. He will most likely have to have heart surgery to have the VSD repaired. VSDs are the most common congenital heart defect. Foundations like this one help with providing support, education, and awareness for congenital heart defects.
